BroadPlast

About Us:

A spin-off company of Ji-Yang Plastic Co., Ltd formed in 2013 to take care of our rapid growing paddle sports accessories division. Through the injection molding capabilities of our parent company, all BroadPlast's products are made in Taiwan where we control all phases of manufacturing to ensure a consistent quality.

BroadPlast offers a wide range of kayak accessories including Kayak fishing accessories, Deck hardware, Handles, Leashes, Bungee and bungee connections, Fasteners as well as some other marine hardware. As a premier supplier of kayak manufacturers, we constantly develop and add new products to our existing product line.

Nevertheless, OEM service is offered to customers who have an existing design and are looking for factory to manufacture parts in bulk. Our engineering department and tool room engineers have an extensive knowledge on molds and are very well experienced. BroadPlast offers high quality long lasting molds at competitive rates and lead times. Customers are welcome to send us their drawings or samples for tooling with us.

We have the experience, knowledge, and personal service you look for to equip your kayak with the best plastic rigging hardware and fittings. Under ISO 9001 standard and over 25 years of manufacturing, we are confident that our competitive rates, high standard of quality, prompt delivery and good after service will be fully satisfied by you. Please feel free to contact us at info@broadplast.com if you need any information.

We are committed to bringing you the best quality parts!
